Chavez NJCAA Division I Eaton Golf Pride National Coach of the Year

Odessa CC coach earns honor for second straight-season

OWENS CROSS ROADS, Ala. — Paul Chavez of Odessa CC has been named NJCAA Division I Eaton Golf Pride National Coach of the Year announced the Golf Coaches Association of America. It is the second-straight season Chavez has claimed the award

Chavez - a 2007 NJCAA Golf Coaches Hall of Fame inductee - led the Wranglers to eight tournament titles in 2007-2008, including six-straight to end the regular season. Additionally, Odessa defeated McLennan in a match to open the spring. The team captured runner-up finishes in its three other regular season events. Chavez also coached Joseph Totah to PING First-Team All-America honors and placed Jordan Jeffers on the second team.

"It is truly a great honor to receive Coach of the Year," said Chavez. "I'd like to thank the committee members and everyone who was prominent in the selection. Our team had a great year and without their dedication and work ethic this would not have been possible."
